Mr. William Schwartz
District Manager
United States Postal Service
Portland District
7007 NE Cornfoot Rd. Dept. 100
Portland, OR 97218

Dear Mr. Graves and Mr. Schwartz:

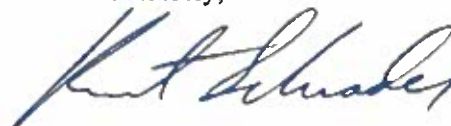

I write today regarding the future of the U.S. Postal Service's (USPS) office at the West Linn Central Village in West Linn, Oregon and to request for USPS to hold a Community Meeting for the residents of West Linn, Oregon.

My office has been contacted by several members of the West Linn community who have expressed concern that USPS may be leaving its current location at the West Linn Central Village when its current six-month lease is set to expire without an alternative location identified in the community of West Linn.

A U.S. Post Office is a valued asset to any community and customers have come to rely on the superior service that the agency provides. A USPS Community Meeting would provide the opportunity for the residents of West Linn to learn more about what plans USPS has in place to remain in this community. With the impending deadline of the current lease, I am requesting a Community Meeting to be arranged for the end of May 2019 and my office stands ready to assist in putting one together with your participation.

Thank you in advance for your attention to this matter and I look forward to working with you to provide answers to the community. Should you have any questions, please contact Megan McKibben in my Oregon City district office by calling 503-588-4486 or by emailing megan.mckibben@mail.house.gov.

Sincerely,

KURT SCHRADER
Member of Congress
